

When a quick page turn is needed, in the margin of page draw lines to extend the staff and write in the first note of next page. This ex. Is last measure of p. 9 showing first note of p. 10

Watch for accidentals: flats, sharps, etc.

Slight crescendo/warm the tone/ spin through long notes. Long notes can sometimes be a dotted eighth note as at letter W and following OR dotted quarter (or longer) note as seen at bottom of page 27
